Samara camp provides such a fabulous experience that if went once, you will just keep going there. That's what happened to me! I went to Bhriagu Lake for the first time and I loved it so much that decided to go solo for the second time to Trek to Dev Bhumi. Though it was solo, I never felt that I was alone. I made new lifelong friends there and had such a fun and exciting time. Special thanks to Qeizar Ali sir for making the trip more memorable!! He is one of the best group leaders you can ever have!! He is a caring, funny and sweet soul. With him trekking seemed more enjoyable and fun!! If you don't believe on my words, try samara out once. I guarantee you that you will have the same experience or maybe even more beautiful one!!
